

**28 – 29 OCTOBER 2021** | MIAMI BEACH CONVENTION CENTER

### **Published: 1st April 2021**

Cruise Ship Interiors Expo and Cruise Ship Hospitality Expo America postponed to 28 – 29 October 2021.

Due to continuing COVID-19 measures and current restrictions in place for those travelling to the US from some countries, we have taken the decision to postpone Cruise Ship Interiors Expo America and Cruise Ship Hospitality Expo America to 28 – 29 October 2021.

Elite Exhibitions are committed to holding CSI and CSH at a time that will best serve the cruise industry and when it will be safe for all to attend. June is unfortunately not the right time, and so we have decided to postpone the event until October 2021.

All our exhibitors have been notified and their booth bookings have been transferred to the new October dates or to our other upcoming event Cruise Ship Interiors and Cruise Ship Hospitality Expo Europe, 1 – 2 December in London 2021.

We would like to thank all our media partners, exhibitors, sponsors, and Advisory Board members, who have been extremely supportive in securing new dates for CSI and CSH. We know that it has been a challenging time for everyone and by supporting us in October you are contributing towards the future success of the industry, which will need to reconvene in Miami once it is safe to do so.
